

# News from Lulworth and Winfrith CE VC Primary School

## HARVEST CELEBRATION

This week, the children on both school sites celebrated Harvest by holding special assemblies at both Lulworth and Winfrith.

It was a lovely occasion with the children singing and sharing harvest prayers that they had written during their Religious Education lessons in the recent weeks.

On a personal note, it was lovely to hear the children singing and performing – something that has been missing during these challenging times we find ourselves in currently.

The school also held a harvest collection and the donated food will be taken to a local foodbank to be distributed. We would like to this opportunity to say thank you to those members of the school community that contributed so generously. This was very much appreciated.

## SPORTING NEWS

### Year 6 Sailing

Earlier this month the Year 6 children had a fantastic day out sailing in Weymouth.

The children had the opportunity to get afloat, learn the ropes and sail dinghies in Weymouth Bay. As a sailor myself, I know how daunting the challenge of the sea can be – especially in unpredictable conditions. However, I can report that all the children rose to the challenge, displayed their resilience and had a great day!

I can also report that the staff at the sailing centre were very impressed with the behaviour of the children. We are very proud of the children for the way they behaved in acting as role models to other children and great ambassadors for our school.

A big well done goes to all children that represented the school at this event.
