Information for Families 2026/27

School Values: Aspiration, Resilience and Kindness

Why is it important to register for Free School Meals?

Even if your child prefers packed lunches, registering for Free School Meals may enable the school to receive additional funding through the Pupil Premium.

This funding helps schools provide additional educational support and opportunities for eligible pupils.

If you think your family may qualify, please contact the school office for confidential advice and support.

What is the Service Premium?

The Service Pupil Premium is additional funding for pupils with a parent serving in the regular armed forces, who have served in the last six years, or who are in receipt of a pension from the Ministry of Defence.

Unlike the Pupil Premium, the Service Pupil Premium is intended primarily to provide pastoral support and help address the challenges associated with service family life, including mobility and family
