Coastal Learning PARTNERSHIP

Dear Families**,**

We held our Harvest Service yesterday and, as always, it was really special to see all our classes come together along with parents/carers to be thankful. We are grateful for all the donations brought in and know they will be really appreciated by Wareham Food Bank.

As Lulworth & Winfrith Primary, we are committed not only to developing children's academic knowledge and skills but also to nurturing their personal development. This happens in many ways throughout school life. Through our curriculum, pupils learn about the wider world, different cultures, significant people and events, and the responsibilities we have towards one another. Similarly, in collective worship, we encourage children to reflect on life's big questions, explore our Christian values, and develop their spirituality through opportunities for prayer, reflection, wonder and discussion.

An important part of personal development is helping children understand and respect others. We provide age-appropriate opportunities for pupils to learn about protected characteristics; promoting kindness, respect and inclusion. We also strive to immerse children in building an understanding of British Values such as democracy, individual liberty, the rule of law, tolerance and mutual respect. Over the coming weeks, for example, our pupils experience democracy in action when they vote for representatives to join some of our pupil voices groups (Collective Worship Committee, Pupil Governors etc). Similarly, the term began with all pupils developing their grasp of the 'rule of law' by contributing to their Class Charters and understanding the importance of striving to abide by an agreement to be Ready, Respectful and Safe. We want all our pupils to learn first-hand how their voices can contribute to shaping our school community and our PSHE discussions teach children the importance of showing mutual respect.

Sometimes children demonstrate personal development through how they conduct themselves in clubs and extracurricular activities outside of school. We often hear from pupils about how they have shown resilience in swimming and have moved up a group or have shown discipline in sports matches and their team has won a match. We love to celebrate achievements like these so if your child ever earns badges in beavers, cubs, brownies or guides, passes a grading assessment in a martial art or earn a trophy from a horse riding competition, please do ensure they bring their certificates into school, and we will present them in Friday's Celebrations Assembly.

Ultimately, we want to support every child in developing as a whole person; academically, socially, emotionally and spiritually. By working together, we can help our children grow into confident, compassionate, responsible and proactive citizens who are well prepared for the future.

Have a wonderful weekend,
Mrs Griffiths

Parent/Teacher Consultations

We will be holding the parent/teacher consultations next week. All SEND consultations will be taking place at the site your child usually attends. Years R,1&2 will be at Winfrith, whilst Years 3,4,5&6 will be at Lulworth. All other consultations (on Tuesday 20th Oct and Thur 22nd Oct) will be taking place at Lulworth. If you have not booked your place, please do so at your earliest convenience.

Worbarrow Class – Anderson Shelter Challenge

On Friday 2nd October, Worbarrow Class had lots of fun working in teams to build their very own Anderson Shelters! We were amazed by the fantastic range of resources that so many of you sent in. **Without your support, this exciting activity would not have been possible – thank you!**

Although some of their architectural plans didn't quite go to plan (and the wind certainly didn't help!), the children showed fantastic **resourcefulness, resilience and teamwork** throughout the challenge. It was wonderful to see them sharing ideas, solving problems and working together to create their shelters.

Well done, Worbarrow Class – you should be very proud of your efforts!

Certificates and Achievements

Winfrith: School Values: Arya for demonstrating our school value of **ASPIRATION** by joining in with all adult led learning sessions with a positive attitude!

Winfrith: Learner of the Week: Bonnie for approaching all of your learning tasks with dedication and commitment. You are an excellent role model to others.

Bindon: School Values: Ethan for showing kindness to others and resilience

Bindon: Learner of the week: Nova for her work using punctuation with direct speech

Worbarrow: School Values: Evanna for demonstrating resilience in all her lessons

Worbarrow: Learner of the Week: Myla for her aspirational diary entry.

Star Reader of the Week: Bodhi

Well done to all students. You have worked so hard this week!
