Spring 1, Week 1 Newsletter

Dear Families,

I hope this message finds you well and that you have enjoyed a wonderful Christmas break with your loved ones. It was great to welcome the children back into school on Tuesday after a busy inset day where staff attended various training sessions; some remaining at the school site and others meeting with colleagues for training held at Oakdale and Courthill Schools. We are also thrilled to have been able to start some site development at Winfrith in our forest school area. The team at Primary Forest Schools have been working hard to carve out some dedicated areas for use during lessons.

As we settle back into the school routine, I would like to take a moment to thank you for your continued support in upholding our uniform expectations. Maintaining a consistent uniform policy is important as it fosters a sense of belonging and equality among our students. **Please ensure your child only wears trainers on the days they have PE and, on all other days, encourage your child to wear polished black shoes.** Similarly, I would ask for your help in ensuring children do not wear necklaces, bracelets and other additional jewellery items to school for health and safety reasons. One pair of stud earrings is allowed however these should be taken out or taped up before taking part in PE lessons. For more information about our uniform guidelines, please visit our school website.

As we embark on this new term, it is also a good time to ask for your help in making sure children come to school prepared with all the necessary items. This includes a warm coat, a filled and clearly named water bottle, reading books and a reading record and for our Key Stage 2 students, a healthy fruit or vegetable snack for break time. Additionally, please remember to pack a lunch for your child unless they are having a cooked meal provided by the school.

We have also noticed some children bringing in small toys and items from home such as bracelets and fidgets. Please can you support us in ensuring that these items remain at home unless previously agreed with classroom staff. We would hate for these things to be lost or damaged and we cannot take responsibility for them when on site.

Finally, we understand that transitioning back into routines after a busy and enjoyable holiday can be challenging, and we really appreciate your efforts in helping your children adjust. If you feel your child may need support in establishing a healthy routine, such as getting enough sleep, waking up in the mornings, or setting up a daily reading schedule at home, please do not hesitate to speak with a member of our staff team. We are here to assist you and ensure that your child has a successful start to the term.

Thank you once again for your cooperation and support. Do have a look at the dates section of this bulletin as there are a number of upcoming events you can get involved in.

Have a wonderful weekend,

Mrs Griffiths

Job Vacancies

As you know, we are continuing to advertise for a **Casual Minibus Driver** and for a **Breakfast Club Assistant** to join our staff team. Please do get in touch if you are interested in finding out more about either of these roles. Refer to links for details:

For Casual Minibus Driver: [1C6B5F4D2D3D98E0140A41D048DFA36A.pdf](#)

For Breakfast Club Assistant: [67F78D5204C91457CE0FD6299C648859.pdf](#)

Appropriate Clothing

We are facing a lot of very wet or cold weather at the moment and would be grateful for your help in ensuring all children come to school with appropriate outer layers. Some children are wearing a school fleece instead of a jumper. If your child is doing this, please can we ask you to provide them with an additional coat to wear when they are outside.

Certificates and Achievements

Oliver Sealey for demonstrating our school value of **ASPIRATION** through his fantastic attitude to learning.

Gabby Smith for demonstrating our school value of **FELLOWSHIP** by supporting a peer from another class.

Ethan Johns for demonstrating our school value of **ASPIRATION** for his positive attitude towards learning

Scarlett Haensel for demonstrating our school value of **RESILIENCE** for her fantastic reading and progression

Dylan Hewish for demonstrating our school value of **RESILIENCE** for his great map work

Lucas Allan earned himself the Star Reader Award. He has chosen a new book to read at his leisure

A huge congratulations to all students who have earned themselves an award this week!!
