Autumn 2, Week 1 Newsletter

Dear Families,

Road Safety Week is recognised between 16th - 22nd November. Given the current icy roads but also increased number of vehicles on the road, it is a harsh but true fact that road crashes are the leading cause of death for children and young people worldwide; in fact more than six children are killed or seriously injured on roads every day in the UK. Every year, more than 1,700 people die on UK roads. Another 30,000 receive serious, life-changing injuries. The numbers are shocking, and there has been no significant reduction for more than a decade.

I therefore want to take this opportunity to draw your attention to a number of factors which can help to keep your child/ren safe when travelling in a vehicle. In the UK, the law requires that all children travelling in cars use the correct child restraints until they reach **12 years old** or **135cm** in height, whichever comes first. In addition, the driver and passengers in a car should always wear a seatbelt when the vehicle is moving, and it is recommended that adults check that these have been fastened securely before driving away.

While many children at our school may not yet be walking or crossing roads on their own, it is likely they are starting to develop a greater desire for independence. This means you can involve them more in planning safe places to cross roads, looking out for dangers and following the key steps for crossing safely. A great way to do this with young children is: Think, Stop, Look, Listen, Cross.

With very young children, using small world toys can be a great way to talk about road safety. When playing together, adults can use small figures/toys to demonstrate how to pause at pavements or stress the importance of walking when crossing a road rather than running.

Key things to talk to your young child about include:

- How to walk safely on the pavement, keeping a good distance from the edge of the road.
- The importance of walking sensibly by roads and being aware of your surroundings.
- How to walk with an adult, either holding hands or by their side.
- The importance of walking rather than running when crossing roads.
- How to stop safely when on a bike or scooter.
- How to recognise and use safe places to cross.
- The Stop, Think, Look, Listen and Cross sequence.
- How to look out for dangers, such as hidden driveways, small side roads and blind corners.

Thank you as always for your continued support.

Have a wonderful weekend

Mrs Griffiths.

Headteacher

Surveys for Parents/Carers to Share their Views

If you haven't already done so, please click on each of the following links to take part in surveys which are currently live. Your opinion is very important to us!

For the CLP Parent/Carers Survey, we are currently at 25% response rate. We are aiming for 100% before it **closes 24th November**.

PTFA

The PTFA held a meeting earlier this month to discuss the Christmas Fayre and other events.

COLOUR RAFFLE: On Friday 28th November, there will be a non-school uniform day with a different twist. Pupils will be asked to bring in an item for the colour raffle. The PTFA will be sending out a letter explaining what colour each class will focus on.

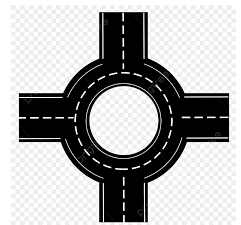

UNWANTED X-MAS JUMPERS: We ask to please donate any unwanted Christmas jumpers of which can be collected at either school site no later than Wednesday 3rd December. This is so we may be able to sell them during our Christmas Fayre to help raise funds for the PTFA.

CHRISTMAS FAYRE: This will be held on Thursday 4th December at Lulworth from 3.30pm to 4.30pm. The stalls at the fayre will be using a tokens system. Visitors will be able to exchange their cash for tokens, which will help to alleviate the need for cash floats and finding change. You will then be able to swap tokens for items available at most of the stalls. To exchange cash for tokens, please locate our PTFA members on the day.

NON PTFA STALLS: This year, there will be 2 additional stalls raising money for other causes. These stalls will be taking cash only.

Lulworth: Parking

We ask parents keep the turning circle clear from cars. This area is to be kept free from cars as it necessary to keep the children safe when alighting from the minibuses. We also ask the parking bays are for staff and visitor use only

Snapshot: Bindon Class

Bindon have had a busy start to the half term and are enjoying their new Science topic 'Forces and Magnets'. They have continued to build their expertise about Ancient Egypt, and we look forward to our topic day nearer the end of term. Music lessons have been exciting and noisy with the children enthusiastically learning to play the samba drums and a range of other percussion instruments! It's been a great term so far and we are proud of the children's hard work and all they have achieved.

Children In Need

On Friday 14th November, we asked children to wear their brightest colours and bring in some pennies to raise funds for this fantastic charity. **A HUGE THANK YOU** to everyone. We raised a whopping **£123.28**

Certificates and Achievements

Elowen Barnes for demonstrating our school value of **ASPIRATION** by working hard during phonics lessons.

Freya Gordon for demonstrating our school value of **ASPIRATION** by striving for perfection in everything she does.

Avery Barnes for demonstrating our school value of **RESILIENCE** for his amazing effort working through his times tables.

Elsie Kennedy for demonstrating our school value of **ASPIRATION** by always being a wonderful role model to others.

Dylan Hewish for demonstrating our school value of **ASPIRATION** by showing his fantastic effort in his mock SATS.

Dylan Hewish earned himself the Star Reader Award. He has chosen a new book to read at his leisure.

Well done to all students who have achieved certificates and awards this week.
